## *A Personal Message From The Team*

*With decades of joint ministerial experience, the opportunity to pursue graduate spiritual academics at GCTS has enriched our lives, enhanced ministry, and broaden our knowledge of the Word of God. As alumni, we strongly encourage anyone who feels the call into ministry at any level to take advantage of the enormous opportunities afforded us.*

*“...Making the most of every opportunity...” (Eph. 5:16, NIV)*

## **OUR MISSION**

**The mission of Christian Education is to provide education and training opportunities that enhance spiritual formation, life enrichment, and service that will better equip the church in the Northeast Region to effectively minister in the 21st Century.**

## **OUR VISION**

**Our vision is for local churches to be places where spiritual growth and reproduction are common place and where emerging leaders are developed for succeeding generations.**

## **OUR STRATEGY**

- Assist districts in coordinating courses offered through the **Center for Biblical Leadership (CBL) & Development's School of Practical and Advanced Studies (SOPAS)**
- Provide assistance, guidance, and mentoring with enrollment and matriculation at Gordon-Conwell Theological Seminary/COGOP Consortium
- Provide assistance, guidance, and mentoring with enrollment and matriculation at Pentecostal Theological Seminary, a completely on-line certificate, master's and doctoral program, offered in collaboration with the Church of God of Prophecy
- Plan and coordinate other courses, symposia, workshops, and conferences that will serve to enhance the ministerial development
- Upon request, consult with District Overseers and/or his designee and local churches to revitalize the ministry of Sunday School
